Coral Park Elementary School

Help someone today.
GIVE NOW.

Dear Parents and/or Guardians,

United Way Miami has been a driving force in our community for over 90 years. Initiatives focused on improving the availability of healthcare, education, and financial stability, have made them instrumental in Miami-Dade County. Now, more than ever, the pandemic has disproportionately affected families with children already struggling to get by. As of today, 54% of households in our community are struggling to meet their basic needs.

The good news is – we can all make a difference! A small donation can have a great impact in the lives of an impoverished family. To that end, Coral Park Elementary supports the efforts of United Way Miami with our student campaign. The money raised during these events can provide vision and health screenings for children, nutritious meals for the elderly, and much more. As educators we strive to instill in our students a spirit of kindness and awareness of the world around them.

We appreciate your support during our October United Way Campaign. An attached flyer will detail our calendar of activities. You can support our campaign in the following ways:

- Provide a check payable to United Way of Miami-Dade
- Provide a cash donation
- Donate via Venmo - @unitedwaymiami
 - o When donating via Venmo, please include the following information in the memo field:
 - Student Name
 - School Name
 - Teacher Name

We encourage you to use this opportunity to engage your child in conversations that raise their awareness of the needs in their community and how they can make an impact in the lives of others.

Sincerely,

Dr. Marlene Leyte-Vidal

Parent/Guardian's At-Home Daily Student Health Screening

We remain in the midst of a pandemic, and having your child stay home when they are ill, experiencing signs and symptoms of a communicable disease, and/or when a non-vaccinated child has come into close contact with a person who has tested positive for COVID-19, is critical to minimizing the spread of illness to others. In fact, it could make the difference between disease control and outbreak.

Prior to sending your child to school each morning, parents/guardians are being asked to conduct the At-Home Daily Student Health Screening to determine if it is safe for your child to attend school.

SECTION 1 – COVID-19 EXPOSURE & SYMPTOMS

<input type="checkbox"/>	Has your child tested positive for COVID-19 in the last 14 days?	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Has your non-vaccinated child been in close contact (within 6 feet) with someone who has a confirmed positive or pending COVID-19 diagnosis in the past 14 days?	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Has your child or anyone in your household been tested for COVID-19 (because they were experiencing symptoms, were in close contact with someone who had tested positive for COVID-19) and are awaiting results?	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Is your child currently ill with COVID-19?	<input type="checkbox"/> Yes <input type="checkbox"/> No

SECTION 2 – SIGNS OR SYMPTOMS – PAST 48 HOURS

Has your child experienced or is experiencing any of the following signs or symptoms listed below in the past 48 hours?

<input type="checkbox"/>	Fever (100.4°F or higher)	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Cough (New uncontrolled cough that causes difficulty breathing) (For students with chronic allergic/asthmatic cough, a change in their cough different from their baseline.)	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Shortness of Breath	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Fatigue	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Muscle or Body Aches	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Headache	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Loss of taste or smell	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Other: Rash, Red Eyes, Cracked/Swollen lips, Red Swollen Tongue, Swelling hands/ feet, stomach pain	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Sore Throat	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Congestion, runny nose	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Nausea	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Vomiting	<input type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/>	Diarrhea	<input type="checkbox"/> Yes <input type="checkbox"/> No

SECTION 3 – TEMPERATURE CHECK

<input type="checkbox"/>	What is your child's current temperature this morning?	
--------------------------	--	--

SECTION 4 – NEXT STEPS – IF YOUR CHILD HAS ANY OF THE ABOVE-MENTIONED SYMPTOMS

<input type="checkbox"/>	If you answer "yes" to any of the above, or your child's temperature is 100.4 °F (37.5°C) or higher, please do not send your child to school.	
<input type="checkbox"/>	You should contact your child's health care provider immediately. DON'T WAIT FOR SYMPTOMS TO WORSEN!	
<input type="checkbox"/>	Having these symptoms alone does not mean that your child has a contagious disease or has the virus, but ONLY a health care provider can determine that.	
<input type="checkbox"/>	Notify the principal at your child's school of their symptoms.	

SECTION 5 – GUIDANCE FOR PARENTS/GUARDIANS

<input type="checkbox"/>	<p>Keep your child(ren) home if they are ill, this includes students who have been fully-vaccinated and he or she should remain home for:</p> <ul style="list-style-type: none"> <input type="checkbox"/> At least 24 hours have passed <i>since symptoms have resolved</i>; <input type="checkbox"/> Free of fever without the use of fever-reducing medications; <input type="checkbox"/> Improvement in respiratory symptoms (e.g., cough, shortness of breath); and/or at least 10 days have passed <i>since symptoms first appeared</i>; <input type="checkbox"/> Continue practice health hygiene, handwashing, face covering, maintaining appropriate distance/space.

“Bullying Awareness Day”

Wednesday, October 13

Youth Crime Watch (YCW) of Miami-Dade is proclaiming

Wednesday, October 13 as

“Bullying Awareness Day”

Here at **Coral Park Elementary** we are asking students and faculty to wear **blue** on that day to honor “Bullying Awareness Day”. Blue is a hallmark color of anti-bullying, and it represents a solidarity to be proactive in preventing bullying & cyberbullying situations.

Show your support by wearing

BLUE
