

The Miami Foundation

GiveMiamiDay

THURSDAY, NOV. 17, 2022

Hello Families & Community Partners,

We are excited to announce that Coral Park Elementary's PTA partnered with The Miami Foundation to participate in Give Miami Day on Thursday, November 17, 2022. Give Miami Day is one of the biggest annual giving events in the United States. During this Give Miami Day, The Miami Foundation and their partners will maximize the community's generosity by making a bonus gift for every donation our PTA receives between \$25 and \$10,000.

We are counting on you! Please help us by spreading the word to your family, friends, and coworkers. Any amount will go a long way in providing enhancements and enrichment to our school. Give Miami Day is opening the donation period early. This allows for donations to begin on Monday, November 14, 2022.

More About Us

The major events we are planning for this year are diverse and we need your help! Our key events include: Hispanic Heritage celebrations, Fall Harvest activities and pictures, Thanksgiving family event, Winter Wonderland celebrations, Teacher Appreciation Week among many many more. Coral Park Elementary is considered a Title I school, which is a federal education program that supports low income students. With that, our PTA is constantly looking for ways to support our entire student population to support a sense of development and community.
