### Why do I need to update my Parent Portal email address?

In March 2023, the way you log into your Parent Portal from a mobile device will be changing. You will log in using your Google ID if you use an Android mobile device or using your Apple ID if you use an iOS mobile device. Because of this, your email address on your Parent Portal account will have to match the one you use for your Google ID (Android) or Apple ID (iOS). \*\*\*Make sure you are able to access that email account to be able to reset your Parent Portal password in the future.

### What happens if the other parent and I share one Parent Portal account?

You will no longer be able to share accounts. Each parent will need to have their own Parent Portal account using the email address associated with their Google ID (Android devices) or Apple ID (iOS devices). Only the parent whose email address matches their Google ID or Apple ID at sign-in will be able to keep the account. The other parent will need to register for a new account and add the child(ren) using the Parent PIN provided by the child(ren)'s school.

En Marzo del 2023, cambiará la forma utilizada hasta ahora, para acceder al Portal para Padres de Familia desde un dispositivo móvil. Acceda a su sesión con su ID de Google si usa un dispositivo móvil Android o con su ID de Apple si usa un dispositivo móvil iOS. Debido a esto, su dirección de correo electrónico en su cuenta del Portal para Padres de Familia debe coincidir con el correo electrónico que usa para su ID de Google (Android) o ID de Apple (iOS). Asegúrese de poder acceder a esa cuenta de correo electrónico para, en un futuro, poder restablecer su contraseña del Portal para Padres de Familia.

### ¿Qué sucede si el otro padre de familia y yo compartimos una cuenta del Portal para Padres de Familia?

De ahora en adelante, no se podrán compartir cuentas. Cada padre de familia debe tener su propia cuenta en el Portal para Padres de Familia y debe utilizar la dirección del correo electrónico asociada con su ID de Google (dispositivos Android) o ID de Apple (dispositivos iOS). Solo el padre de familia cuya dirección de correo electrónico coincida con su ID de Google o ID de Apple, a la hora de acceder al portal, podrá mantener la cuenta. Cada padre de familia necesita obtener una nueva cuenta y agregar a los niños usando el PIN de padres de familia proporcionado por la escuela del niño/niña.
