Dear Parent/Guardian,

Since 1924, United Way Miami has been an innovative force in the community, responding to emerging needs and transforming people's lives. They focus on three pillars: education, financial stability, and health. These are the building blocks for a good life which includes quality programs, advocating for better policies on behalf of families, and generating resources. We come from different parts of the globe, diverse backgrounds and from all walks of life but we have one thing in common --- we all chose to call Miami home. It's where we work, play, and raise our families and we come together as a community to make it better.

That's why Coral Park Elementary supports United Way each year by running a student campaign. The money that our students and families raise will touch countless lives across our community that may include your child's classmates and your neighbors.

This is also a good opportunity to show our students what caring for the community is all about. We encourage you to talk with your child during this time about how the money they are raising will go to help others in our community who need it most. For every \$1 raised, United Way Miami more than doubles that amount. It provides services to a young child so they can get the best possible start in school and in life with a quality early education, or a family gets help caring for an elderly loved one.

During the month, our school will have fun activities for the students to participate in to raise money for United Way. Please see the attached United Way Activities flyer for specific details on each event. As a parent or guardian, you can give in several ways:

- Provide your child with a check payable to: **United Way Miami**
- Provide a cash donation for your child to turn into their classroom teacher
- Give online at: <https://portal.unitedwaymiami.org/mdcpsparents>

Without your generosity, United Way's work in the community would not be possible. Together, we stand for a stronger Miami.

Sincerely,

Marlene Leyte-Vidal

Dear Parent(s)/Guardian(s):

This year our school will receive special federal funding, which will be used in addition to our regular state and local funding, to improve the educational program for all students in our school. This federal funding will allow our school to implement the Title I Schoolwide Program.

The Title I Schoolwide Program provides for supplemental instruction in the areas of Language Arts/Reading, Math, Science, and/or Social Studies for our students based on instructional goals established in our School Improvement Process (SIP). In general, this federal funding can be used to provide an array of important services such as additional supplemental instructional staff, instructional materials, and/or equipment; the ability to support the regular classroom with computer-assisted instruction; special training to parents and/or staff; additional motivational/high-interest activities; wrap-around services for our students; and discretionary educational services provided by the District.

We encourage you to take an active role in our school's planning and implementation of the Title I Schoolwide Program. Each school implementing this program shall jointly develop with parents the Title I School-level Parent and Family Engagement Plan (PFEP) and the Title I School-Parent Compact. You are invited to attend our Annual Parent Meeting About the Benefits of the Title I Schoolwide Program, where we will review and update these documents. During the meeting, we will also share information regarding other opportunities for you to be involved with the school and your child's academic success.

We look forward to working together on the annual development/evaluation of the school's Title I School-level PFEP, Title I School-Parent Compact and revising them as needed. Once completed, we will make these documents available in the school's Parent Resource Center/Area, the Main Office, and via our school's website. These documents will be updated regularly to ensure they reflect the specific needs of our students. Additional information regarding the Annual Parent Meeting About the Benefits of the Title I Schoolwide Program will be provided on the school's website.

Please know that our administrative team, our school staff, and the Community Involvement Specialist (CIS) are your resources to receive updates regarding the Every Student Succeeds Act (ESSA). Additionally, they are able to assist you in obtaining parental "Right-to-Know" information regarding the level of achievement of your child in each of the State academic assessments; the professional qualifications of your child's classroom teachers and/or paraprofessionals, if your child has been assigned or has been taught for four or more consecutive weeks by a teacher who does not meet State certification requirements; school performance data; the School District's Consultation and Complaint Procedures; access to the Title I District-level PFEP, the Title I School-level PFEP, the SIP, and the Title I School-Parent Compact.

If you have any questions regarding the instruction your child is receiving at our school or about the Title I Schoolwide Program, please contact me at (305)221-5632.

Estimados padres / tutores:

Este año, nuestra escuela recibirá fondos federales especiales, que se utilizarán además de nuestros fondos regulares estatales y locales, para mejorar el programa educativo de todos los estudiantes de nuestra escuela. Estos fondos federales permitirán a nuestra escuela implementar el Programa del Título I de Toda la Escuela.

El Programa del Título I de Toda la Escuela proporciona instrucción complementaria en las áreas de Lengua inglesa y literatura (ELA, por sus siglas en inglés) /Lectura, Matemáticas, Ciencias y/o Estudios Sociales para nuestros estudiantes basados en las metas de instrucción establecidas en nuestro Proceso de Mejoramiento Escolar (SIP, por sus siglas en inglés). En general, estos fondos federales se pueden utilizar para proporcionar una variedad de servicios importantes, tales como personal de instrucción suplementario, materiales de instrucción y/o equipo; la capacidad de apoyar el salón de clases regular con instrucción asistida por computadora; entrenamiento especial para padres y/o personal; actividades adicionales de motivación/ de interés; servicios integrales para nuestros estudiantes; y servicios educativos discrecionales proporcionados por el Distrito.

Le instamos a que tome un papel activo en la planificación e implementación del Programa del Título I de nuestra escuela. Cada escuela que implemente este programa desarrollará conjuntamente con los padres el Plan de Participación de Padres y Familias a Nivel Escolar del Título I (PFEP) y el Acuerdo del Título I entre Padres y Escuela. Usted está invitado a asistir a nuestra Reunión Anual de Padres sobre los Beneficios del Programa Escolar de Título I, donde revisaremos y actualizaremos estos documentos. Durante la reunión, también compartiremos información sobre otras oportunidades para que usted se involucre en la escuela y en el éxito académico de su hijo.

Esperamos trabajar juntos en la evaluación anual del PFEP del Título I de la escuela a nivel escolar, y en el Pacto del Título I entre la escuela y los padres, además de revisarlos según sea necesario. Una vez completados, pondremos estos documentos a disposición en el Centro/Área de Recursos para Padres de la escuela, en la Oficina Principal y a través del sitio web de nuestra escuela. Estos documentos se actualizarán periódicamente para garantizar que reflejen las necesidades específicas de nuestros estudiantes. En el sitio web de la escuela se proporcionará información adicional sobre la reunión anual de padres sobre los beneficios del programa de toda la escuela del Título I.

Por favor, tenga en cuenta que nuestro equipo administrativo, nuestro personal escolar y el Especialista en participación comunitaria (CIS) o la persona de contacto con los padres en nuestra escuela) son sus recursos para recibir actualizaciones sobre la ley Cada Estudiante Triunfa (Every Student Succeeds Act -ESSA). Además, pueden ayudarlo a obtener información sobre el "Derecho a Saber" de los padres ("Right-to-Know") con respecto al nivel de logro de su hijo en cada una de las evaluaciones académicas del Estado; las calificaciones profesionales de los maestros de su hijo en el aula y/o paraprofesionales, si su hijo ha sido asignado o ha recibido instrucción durante cuatro o más semanas consecutivas por un maestro que no cumple con los requisitos de certificación del Estado; los datos de rendimiento escolar; los procedimientos de consulta y quejas del distrito escolar; acceso al PFEP del Título I a nivel de distrito, el PFEP del Título I a nivel de escuela, el SIP y el Acuerdo de Título I entre la escuela y los padres.

Si tiene alguna pregunta con respecto a la instrucción que su hijo está recibiendo en nuestra escuela o sobre el Programa del Título I a nivel escolar, por favor, comuníquese conmigo al (305)221-5632.
